KAFLO

KAFLO TERMS OF SALE AND LICENSE

Version of 15 November 2026. PDF: terms.pdf. Polski: Regulamin.

1. WHO WE ARE

KAFLO (the "App") is a tile job quote calculator that runs in your browser at https://kaflo-wycena.netlify.app/. The App and its license keys are provided by Kamil Rataj, ul. Atletyczna 27, 62-065 Grodzisk Wielkopolski, email kaflo.wyceny@gmail.com, phone +48 798 377 596 ("we", "us"). We operate as a small unregistered business under Polish law.

2. HOW YOU BUY

1. Purchases in US dollars are processed by Gumroad, Inc., which acts as reseller and merchant of record. Gumroad handles payment, sales tax or VAT, receipts and refunds under its own terms. These Terms govern the license to use the App.
2. Before you go to checkout you accept these Terms and, if you are an EU or UK consumer, make the request described in section 5.
3. Prices are shown on the App's page and at checkout. Taxes are calculated by Gumroad at checkout.

3. WHAT YOU GET

1. After payment you receive a license key by email, usually within minutes. The key unlocks the plan you bought (Starter, PRO, VIP STUDIO, the real hourly rate add-on or an upgrade) as described on the App's page at the time of purchase. If the key has not arrived within 24 hours, check your spam folder and email us; we will resend it at no cost.
2. The email with your key confirms your purchase and includes these Terms as a PDF.
3. Your data (quotes, prices, company details) is stored only in your browser. We do not receive it. You can export a backup file from the App.

4. LICENSE

1. We grant you a non-exclusive, non-transferable, perpetual license to use the App within your plan, for your own needs including your business, on any number of your own devices.
2. The key is personal. Do not publish, resell or share it, and do not work around the App's protection. We own the copyright in the App.
3. We may revoke a key after a refund or chargeback, after a valid withdrawal, or if the key is shared in breach of point 2.
4. We provide updates, including security updates, needed to keep the App working as described, for a period you can reasonably expect and not shorter than 2 years from delivery of your key. The App updates itself

when you open its page online.

5. RIGHT OF WITHDRAWAL (EU AND UK CONSUMERS)

1. If you are a consumer in the EU or the UK, you normally have 14 days to withdraw from a distance contract without giving a reason.
2. The license key is digital content not supplied on a tangible medium. Before checkout you tick:

   > **☐ I ask for the license key to be delivered right away. I understand that once it is delivered I lose my right to withdraw.**

   Once the key is delivered with that consent and acknowledgement, the right of withdrawal ends. Until the key is delivered, you may withdraw by emailing us at kaflo.wyceny@gmail.com or through Gumroad.
3. Refunds for purchases made through Gumroad are paid through Gumroad.

---

6. PROBLEMS AND COMPLAINTS

1. If the App does not work as described, email us at kaflo.wyceny@gmail.com with the email used for the purchase and a short description. We reply within 14 days.
2. If you are a consumer, you keep all statutory rights that apply to digital content in your country, including the right to have the App brought into conformity and, where the law provides, to a price reduction or a refund. Nothing in these Terms limits those rights.

---

7. PROVIDED "AS IS" AND LIMITATION OF LIABILITY

1. The App is an estimating aid. Its results depend on the sizes, prices and norms you enter or on default norms from manufacturers' data sheets. You decide on your prices, material orders and work methods, and you check consumption norms against the data sheets of the products you use.
2. To the extent the law allows, the App is provided "as is", without warranties of fitness for a particular purpose, and we are not liable for lost profits, indirect or consequential loss, or decisions made based on the App's results. Our total liability under these Terms is limited to the price you paid for your plan.
3. Point 2 does not limit liability for intent or gross negligence, for death or personal injury, or any liability that cannot be limited by law, and it does not affect the rights of consumers described in section 6.

8. PRIVACY

See the Privacy Policy.

9. LAW AND CHANGES

1. These Terms are governed by Polish law. If you are a consumer, you also keep the protection of the mandatory laws of the country where you live.

2. We may change these Terms for good reasons, such as changes in the law, in the payment provider or in the App's features. Changes do not apply to purchases made before them. Each version is dated at the top.
